Download Free 3800 V6 Engine Diagram File Type

Production of the renowned 3800 V6 engine was officially ended in August 2008, nearly 10 years beyond the automaker's original plan to cease 3800 engine production in 1999. That's quite a tribute to any pushrod motor, let alone one that started in life as a rough-running, odd-firing V6 in the '60s. Source: GM media and Engine Builder magazine
