how to fit the most notes on an index card for college test? i have a college algebra test and my teacher said we can use 1 3x5 inch index card for notes. he said we can use front and back. we can handwrite on it, type on it, however he said we cant layer sticky notes on it. i was wondering how can i get the most notes on a card? thank you

how to fit the most notes on an index card for college test?

Review each card, and remove any formulas that you already know. Study only the cards with formulas that you have not yet . memorized. To increase your retention of the formulas, try these study methods: 1. Write out the formulas and their components. Transferring the formulas to paper helps transfer the information into your long-term memory. 2.
