Accounting : The Basis for Business Decisions 9th edition ...

Meigs and company explain the accounting concepts just as thoroughly as Hongren but with about half the verbage. I breezed through my summer course and got the highest grade in the class. This book is an excellent teaching tool for beginners and would also make a great reference guide for more advanced students.

The tenth edition remains the ideal text for a course where majors and non-majors are taught together. While accounting majors receive exposure to and practice with accounting procedures, terms and concepts, non-majors learn the role of accounting information in business decisions. Two new co-authors have been added to the writing team.
