Born and Raised in Sawdust: My Journey Around the World in Eighty Years is the deeply moving autobiography of Lewis Thigpen as a black boy growing up in a loving family in a small, tight knit community in the deep South during the extremely segregated Jim Crow era. It captures his life on the farm a

The continuity, in a suitable topology, of algebraic and geometric operations on real analytic manifolds and vector bundles is proved. This is carried out using recently arrived at seminorms for the real analytic topology. To characterise the topology, geometric decompositions of various jet bundles are given by use of connections. These decompositions are then used to characterise many of the ...
