Homeschool High School Biology | Apologia

Apologia Biology: Module 7 Experiments. We started our Module 7 session by completing Experiment 7.1, "DNA Extraction". While we were letting the hand soap destroy the plasma membranes and open the cell, we watched the informational videos on my initial Module 7 post . (If we had more time, I'm sure I could have convinced the "students" to re-create the water ballet mitosis in the pool.)

This test covers the entire module including key vocabulary and concepts. 3 pages in length- 17 questions total. Test and Test Key a

Apologia Biology Worksheets & Teaching Resources | TpT

Exploring Creation with Biology . Published by Apologia Educational Ministries and written By Dr. Jay L. Wile and Marilyn F. Durnell. Exploring Creation With Biology is a biology course that is written to the student (the reader of the book), not to a classroom, and that is one of the things that makes this curriculum unique. The author recommends that this book be used during the 9th grade year.
