treadmills take more effort to use as the speed of the running deck isn't powered electronically. You might consider this a plus if you want a tougher workout, but there's a chance you'll crave the convenience of an electric machine.

Treadmill buying guide - Which?

If you're tight on space, opt for a

Acces PDF Argos Manual Treadmill

treadmill that folds up when you're done using it. A manual unit with a belt that only moves when you walk on it is a good choice for saving space and electricity. Select a treadmill with a display you can easily see, especially when you're in motion.
