There's a heavy bias towards English-language works and translations, but the same is true of all the ebook download sites we've looked at here.

Big Fat Manifesto Susan Vaught

Big Fat Manifesto by Susan Vaught is a great read. The main character Jaime is really easy to relate to and put yourself in her shoes. The book is in first person from Jaime's point of view, the way she explains things gives the reader the opportunity to put their self in her shoes.

Big Fat Manifesto: Vaught, Susan: Amazon.com: Books

I'm THE Fat Girl, baby. I'm a senior, and I by-God do own the world this year, so put that on ice and gulp it down. I'm The Wire's new feature—the Fat Girl Manifesto. I'm large. I'm loud. Go big or go home! Let me take care of a few myths right now, before you even set up a stereotype: Speak gently to poor Fat Girl.

year, doing too much-including trying to change the world-and fighting for her rights as a very fat girl. And not quietly: she's writing a column every week in the paper with her thoughts and fears and gripes. As her column raises all kinds of questions, so too, must she find her own private way in her world, with love popping up ...
