Bossa Nova And Samba For

Bossa nova has at its core a rhythm based on samba. Samba combines the rhythmic patterns and feel originating in former African slave communities. Samba's emphasis on the second beat carries through to bossa nova (to the degree that it is often notated in 2/4 time). However, unlike samba, bossa nova has no dance steps to accompany it.

Bossa nova - Wikipedia

For instance, while Bossa Nova was created by the Brazilian upper white middle class, and almost immediately accepted and consumed not only by national, but international audiences alike – throughout the US and Europe – Samba developed as a cultural manifestation of lower, black, African descendants classes, and faced discrimination until it was recognized as the art form it is currently considered.

Samba came first and inspired bossa nova. Since bossa nova is an offshoot of samba, the two styles share similarities. Both were developed in Brazil and rely on an upbeat fusion of African and Latin music. Samba arose out of the favelas, or very poor areas, while bossa nova came from the upper classes in Rio de Janeiro. Samba originated in the early 1920s and influenced several musical styles around the world.
