British Gas UP2 I have a UP2 controller but no manual. I believe this has a 5/2 day program enabling the weekend setting to be different to the weekdays. I can see how to change the heating and hot water settings but not how to change to the weekend program. On the date setting it changes from y:14 to what looks like an n:02 I think this should be m for month, then d:25 being the day of the ...

I'm trying to install a hive which replaces an up2. I have wired up like for like but the heating does not operate. There is a red and a grey wire terminated into a block behind the up 2 which I can't help thinking should be used for something. I terminated all wires at the thermostat with tape. Any help gratefully received! Rob.

Hive install - replacing up2 | DIYnot Forums

Lost the instructions to your central heating programmer? You're certainly not alone. We don't manufacture these products, but we do get quite a volume of requests for operating manuals to replace those that have disappeared for one reason or another.
