Buraco is a Rummy-type card game in the Canasta family for four players in fixed partnerships in which the aim is to lay down combinations in groups of cards of equal rank and suit sequences, there being a bonus for combinations of seven cards or more. Buraco is a variation of Canasta which allows both standard melds (groups of cards of the same value) as well as sequences (cards in numerical ...

### Buraco - Wikipedia

The burraco can become clean again if the 8 is substituted for the 2, which then returns to its place at the bottom of the sequence. In a 13-card sequence including a wild card such as A-2-3-4-5-Joker-7-8-9-10-J-Q-K it is possible to replace the wild card by the natural card it represents (in this case the 6). In this case the wild card remains ...

### Rules of Card Games: Burraco

INTRODUCTION TO BURRACO. Burraco is an Italian card game, not to be confused with the South American games Buraco and Burako. This game has similarities to the rummy game Canasta, in that goal is to make melds or combinations of 7 or more cards. Burraco, like other more modern games in this family, utilizes a second hand that players use once disposing of all cards in the first hand.
