Business ethics | Open Library

This paper reassesses the domain of the business ethics curriculum and, drawing on recent shifts in the business environment, maps out some suggestions for extending the core ground of the discipline. It starts by assessing the key elements of the dominant English- language business ethics textbooks and identifying the domain as reflected by those publications as 'where the law ends' and ...

Questioning the Domain of the Business Ethics Curriculum ...

Chapter 1: Introducing Business Ethics What is Business Ethics? Business Ethics is the study of business situations, activities and decisions where issues of right and wrong are addressed. By 'right' and 'wrong' we mean morally right and wrong, as opposed to, for example, commercially, strategically or financially right and wrong.
