Color recognition Candy Land (also Candyland) is a simple racing board game currently published by Hasbro. The game requires no reading and minimal counting skills, making it suitable for young children. Due to the design of the game, there is no strategy involved: players are never required to make choices, just follow directions.

Candy Land - Wikipedia

This board game is a cheap shadow of the greatness that once was Candy Land. There is no storyline included, so I couldn't read the story to my child and he didn't really "get it" because of that.
