Central Service Technician Test Seventh

The Certified Registered Central Service Technician (CRCST) certification program is designed to recognize entry level and existing technicians who have demonstrated the experience, knowledge and skills necessary to provide competent services as a central service technician.

CRCST Certification - IAHCSSM.org

The book was good for my class. It includes illustrations and explains the job of the central service processing technician. It is everything you really need to know about how to do the job. My wife had to use this with an instructor who basically only gave tests at HCC Coleman and didn't teach any of the hands-on skills during lab time.
