### Chapter Summary Activity Supreme Court

The Supreme Court focuses its limited time on a small number of cases (approximately one hundred each year) that allow it to resolve controversial questions or set important precedents to guide lower court activity. Although the Supreme Court is at the top of the judicial pyramid, it lacks many of the standard methods of control typically available to principals and instead depends heavily on lower court judges behaving like loyal agents.

### Chapter Summaries | Online Resources

Each team is assigned one case from the Supreme Court Landmarks. The students on each team review the case collectively, and then each student is asked to make a list of any biases that he/she may have about the case or any facts about their lives that may affect their decision-making process.
