3.0 out of 5 stars 3 stars for Fielding's latest, August 27, 2008 This review is from: Charley's Web: A Novel (Hardcover) This was a novel that, despite its predictability, provided enough depth and entertainment to keep me reading even after I had figured out the denouement. The story -- a convicted child killer wants a book written about the crimes and holds out some tantalizing information that she may not have acted alone though she was the only one tried, convicted and put on death row.

The Graduate (novel) - Wikipedia

When I first started reading Charley's Web, I wasn't sure what I thought. The writing was rather simplistic, but the story was interesting. As the novel progressed, however, I became more and more intrigued and was shocked and on the edge of my seat throughout the last few chapters of the book. This was a great storyline and I was shocked at the end.
