If you are looking for Indie books, Bibliotastic provides you just that for free. This platform is for Indie authors and they publish modern books. Though they are not so known publicly, the books range from romance, historical or mystery to science fiction that can be of your interest. The books are available to read online for free, however, you need to create an account with Bibliotastic in order to download a book. The site they say will be closed by the end of June 2016, so grab your favorite books as soon as possible.

The Canon Eos Camera Lens

Canon offers lens cases to help protect your lenses, hoods, filters (which help control glare); plus there are a number of adapters to further expand the possibilities of your EF Lenses and your EOS System. The optional DSLR camera lens mounts give the entire line of Canon's EF Lenses versatility, from a fisheye to telephoto and everywhere in between.
