Endangered Pleasures: In Defense of Naps, Bacon, Martinis ...

Endangered Pleasures, I will admit, has been the bathroom book for the past few months. As such it is a little warped by humidity, but Harpers hardly printed it on fine paper to begin with. The book's title and small chapters (1-4 pages, perfect for the bathroom) appealed, as did the author's choice of subjects from working to bed to books, but ...

In Endangered Pleasures, Barbara Holland insists that enough is enough. It's time to kick back, relax, and relish the truly good things in life--and embrace the so-called bad. After all, bacon is not a villain, happy hour is not a death knell, and sleeping in may not be mandatory, but it sure feels great ...
