The good news, says William H. Miller, VMD, professor of dermatology at Cornell University, is that many equine skin diseases and conditions are not very serious. In fact, some issues are considered merely cosmetic and may be left untreated, and in many cases, a knowledgeable horse owner can safely handle the situation on their own.

56 reviews of Animal Dermatology Clinic "This animal clinic is nicer than a doctor's office for people. There are coffee and water in the waiting room. I drove all the way to Tustin for a 2nd opinion, when another animal derm in the Valley couldn't help my dog's hairloss. Dr. Rosenkrantz is extremely knowledgeable, experienced and honest.
