comparable test tools. Each industrial meter is tested to the extreme: drop, shock, humidity, you name it.

Digital Multimeters | Fluke

I have several fluke meters,all work great. The 233 is a good meter but it goes through the batteries like crazy. Not like other fluke meters that can last almost a year on a set of batteries. All in all its a good meter just poor battery life. I'll always buy FLUKE products there the most durable and reliable.

It is part of the Fluke 170 Series manual that also includes the 175 and 179, with all three in one PDF. As far as I know, there is no separate manual for the 177. The caveat with these encompassing manuals is to be mindful of the subtitles as certain parts might only pertain to this or that device. Fluke 170 Series screenshot (from Fluke site)
