Genesis 1 29 Diet Esprit

I recommend Soul Esprit's Genesis 1: 29 Diet book for many reasons: it's the only book I know of that deals squarely with issues involving proper nutrition, how to treat the underlying causal factors of chronic diseases, and the link between government-mandated public health policies which pose a danger to human health and well-being, especially of children. This book proves that our health and longevity is under attack by conventional medicine.

Adam's diet, the very diet God gave His first human creation in Genesis 1:29, was totally devoid of anything of animal origin! Without the fat, derived from these animal source foods, it is practically impossible for a person to develop type 2 diabetes. And on the flip side, if a person wants to get rid of diabetes, the very first step is to remove fat containing animal source foods from their diet.
