Girl In A Box Rei

This installment finds Rei back in Tokyo, posing as the 'perfect' department store employee: a 23-year-old well-bred and immaculately-groomed girl still living at home with her parents. Her mission: to gather intelligence about potential organized crime activity on behalf of the American government.

'Girl in a box' is a Japanese expression for a protected, innocent, and somewhat infantile woman. Japanese-American CIA operative Rei Shimura is charged with playing a girl in a box as she goes undercover in a Japanese department store, trying to investigate illicit financial dealings.

As a stand-alone work, "Girl in a Box" is a pleasant-enough outing. But for those of us familiar with Rei's milieu, this effort falls far short of what we are accustomed to seeing. I don't think any of us are ready, either, to see Rei replace Hugh so quickly with her older boss, no matter how attractive he might be.

Rei has only aged a year to every two of ours out in reader land, taking her from 27 to 30 years old. Still, with all that, and her twenties now behind her, one would expect this slightly older Rei to be slightly wiser, too, and have an adventure worthy of all her growing life experience. I found "Girl in a Box" disappointing on that score.
