new opportunities and the chance to earn a decent living.

Globalization and its Discontents - Management Study Guide

Stiglitz probably didn't make many friends inside the International Monetary Fund (IMF) when this book was published in 2002: "Globalization and its discontents" at times seems like a long criticism of the IMF.

Globalization and its Discontents by Joseph E. Stiglitz

Joseph E. Stiglitz's Globalization and Its Discontents (2002) is a work of nonfiction. Stiglitz, the 2001 Nobel laureate, served as the chairman of the Council of Economic Advisors during the Clinton administration in the mid-nineties and as the chief economist at the World Bank in the latter portion the nineties.

Globalization and Its Discontents Summary |

Read Book Globalization And Its Discontents

SuperSummary

Fringe violence aside, such protests are the only way to register serious objections to a process that proceeds under its own steam, yet generates discontents of great practical and moral importance. To blame all developmental ills on globalization is to demonize it rather than to understand its complexities.

Globalization and Its Discontents | Dissent Magazine

Popular discontent with the economic process known as globalization is on the rise not only in developing countries, for which globalization has had adverse consequences, but also in the West, as...

Globalization and its Discontents Chapter Summaries ...

Globalization and Its Discontents. Herman E. Daly * August 2000 . The newspapers and TV say that if you oppose globalization you must be an "isolationist" or even worse a "xenophobe".

Read Book Globalization And Its Discontents

Nonsense. The relevant alternative to globalization is internationalization, which is neither isolationist nor xenophobic.

Globalization and Its Discontents - mnforsustain.org

Globalization has been driven by modern technology, from jet planes and satellites to the Internet, as well as by policies that opened up markets to trade and investment. Both stability and instability have promoted it, the former by enabling business and tourism, and the latter by fueling flows of migrants and refugees.

Deglobalization and Its Discontents by Richard Haass ...

The main message of Globalization and its Discontents was that the problem was not globalization, but how the process was being managed. Unfortunately, the management didn't change. Fifteen years later, the new discontents have brought that message home to the advanced economies.
