Good Habits for Great Coding - Programmer Books

From the moment you start writing actual code, you need to think like a scientist or a detective and document everything you do and every reference you consult. Programming is a lot like flying. Once you know the basic principles, what language you choose and what platform you are on makes little difference.

This particular school's dress code required students to wear solid colors and banned images or logos on clothes. When a student was sent to detention for wearing socks adorned with the image of Winnie-the-Pooh's friend Tigger, the girl's family sued the school district for violating her freedom of speech. In August of 2007, the district ...
