9.4 Titrations (ESCPJ)

What are titrations?

Get Free Grade 12 Investigation To Determine The

(ESCPK) The neutralisation reaction between an acid and a base can be very useful. If an acidic solution of known concentration (a standard solution) is added to a basic (alkaline) solution of unknown concentration until the solution is exactly neutralised (i.e. there is only salt and water), it is possible to calculate the exact concentration of the ...
