Hannah Arendt And Education : Renewing Our Common World ...

Hannah Arendt: education and renewing our common world or: her claim that teachers should introduce young people to "the world" as it is In Arendt's view education has to be separated from politics. She argues that teachers have to introduce the young people to the world as it is, and to avoid telling how the world should be.

Hannah Arendt: Worldliness, plurality, and education

Arendt summarizes the problem thus: Children cannot throw off educational authority, as though they were in a position of oppression by an adult majority- though even this absurdity of treating children as an oppressed minority in need of liberation has actually been tried out in modern educational practice.

Hannah Arendt takes on progressive education | The ...

This is how Hannah Arendt ends the essay: Education is the point at which we decide whether we love the world enough to assume responsibility for it and by the same token save it from that ruin which, except for renewal, except for the coming of the new and young, would be inevitable.
