### **Hells Mouth**

Hellmouth, or the jaws of Hell, is the entrance to Hell envisaged as the gaping mouth of a huge monster, an image which first appears in Anglo-Saxon art, and then spread all over Europe. It remained very common in depictions of the Last Judgment and Harrowing of Hell until the end of the Middle Ages , and is still sometimes used during the Renaissance and after.

Hells Mouth (Porth Neigwl) on Lleyn is an exposed beach and reef break that has quite reliable surf, although summer tends to be mostly flat. Offshore winds are from the northeast with some shelter here from northwest winds. Waves just as likely from local windswells as from distant groundswells and the optimum swell angle is from the southwest.
