Your goal is to remove excess paint, blend edges of two different shades, or push more paint where needed. This happens to round surfaces, in flat surfaces that contain shadows, etc. Preserve your hard edges for the final layers. From here you can go to the next lesson by clicking here for color lessons.

I wanted to try something different when painting my Warriors of the Dead, rather than just spraying them Corax White and giving them a wash. I had a quick chat with our resident painter extraordinaire, Pedro Wieglus, to come up with a paint scheme and he suggested using an airbrush to get the ghostly green effect I was after.

In How to Paint a Dead Man, Hall's ambition is still very much alive, yet less effective. How to Paint a Dead Man weaves together four different stories: a photographer coping with the loss of her twin brother, a quirky landscape artist in a dangerous situation, a dying man who paints bottles in seclusion, and a blind girl.
