Java™ Platform, Enterprise Edition (Java EE) Specification, v8

The details of Java EE 6 have been getting hashed out for quite a few months in the JSR 316 expert group, which I am part of. The goal of this article is to give you an overview of the changes in Java EE 6 as well as encourage your feedback. Besides the work of the JSR 316 expert group itself, I'll also discuss the JSRs that are likely to comprise this release of the platform.
