"Brush with Greatness" is the eighteenth episode of The Simpsons' second season. It originally aired on the Fox network in the United States on April 11, 1991. In the episode, Marge enrolls in an art class after Lisa encourages her to revive her former interest in painting. When she wins first prize in a local art competition for a portrait of Homer on the couch in his underwear, Mr. Burns ...

I need some well-known portraits for a math project (don't ask, it's hard to explain). I already have the Mona Lisa, the most obvious one, but what are some other paintings that are easily recognizable? Either by the painting itself or by the artist. If you could list the title/painter or a link to the painting, that would be great. I need about 8 or more.
