March Was Made of Yarn helps to illustrate another aspect of the reality of the earthquake, tsunami, and resulting nuclear crisis. If pictures and body counts inform the physical reality, then this collection of fiction and nonfiction offers insight into the emotional reality. Thankfully, March Was Made of Yarn is infinitely more gentle and subtle than sensationalist reporting and sentimental recollections of heroism and despair.

Spun yarn is made by twisting staple fibres together to make a cohesive thread, or "single." Twisting fibres into yarn in the process called spinning can be dated back to the Upper Paleolithic, and yarn spinning was one of the first processes to be industrialized. Spun yarns may contain a single type of fibre, or be a blend of various types. Combining synthetic fibres (which can have high ...
