## **Inner self definition and meaning | Collins English Dictionary**

The Inner Self . In contrast to the outer self, the inner self is about what can't be seen: feelings, intuition, values, beliefs, personality, thoughts, emotions, fantasies, spirituality, desire, and purpose. A strong inner self means that you cope well with your emotions, are self-aware, have clarity and a good sense of your values, and feel a purpose in life.

## **The Tension Between Inner Self and Outer Self**

The Collins Dictionary says the inner self is “a person’s true or internal mind, soul, or nature”. Merriam Webster’s Dictionary defines one’s inner self as “the emotional and spiritual part of someone.” They illustrate with the example, “She’s taking meditation classes to get in touch with her inner self.”

## **Inner Self Vs. Outer Self - What are they? What's the ...**

The inner self is an individual’s personal, internal identity - one that is distinct from identities defined by external, social forces and relationships. It is closely linked to a person’s values, beliefs, goals and motivations. The term also implies a level of authenticity not associated with external identities and labels; it is the “true self.”

Let me begin by sharing what is the inner self as written by our guru, u/Whisper2045. Your conscience is the nucleus of your inner self. That is a faculty within you, a power within you, or a principle within you enjoining good acts and admonishing bad acts. I posit that everybody is born with a conscience.
