in [New York City] a museum and library of art, of encouraging and developing the study of the fine arts, and the application of arts to manufacture and practical life, of advancing the general knowledge of kindred subjects, and to that end of furnishing popular instruction".

### **Metropolitan Museum of Art - GuideStar Profile**

From the moment it came out of the box, it was clear that this newly released book, The Metropolitan Museum of Art Guide, was clearly different from many of the guidebooks and publications that have been published over the last decade or so. To start with, it is heftier than its 6¾ by 9¾ inch size might indicate, as it clearly weighs at least 2½ pounds.
