Than Music I actually  
wo It's not overly  
angsty or sexual, the  
writing sells itself  
without the need of  
flashy gimmicks and  
over the top antics.  
This first full length  
novel in the Chasing  
the Dream series  
contains, dare I say it,  
good old fashioned  
writing that has  
become quit hard to  
find as of late.
