"Passing" manages to both cover and conceal a wealth of issues facing America in the decades preceding the national Civil Rights, Anti-War, and Sexual Revolution movements of the latter half of the 20th century. In the short space of a novella, Larsen produces a work of extraordinary power and indeterminacy.

From a bibliographic point of view this 'series' is rather a mess, containing a load of books which share only the Penguin designation 'Classics'. The publisher's view of just what is a 'Classic' has changed considerably from the days of E. V. Rieu and his translation of The Odyssey and now seems to be used for any work more than a decade or ...
