The poems are great tragic literature, with vivid descriptions of the emotional states of the protagonists, Gods and heroes alike. Women play a prominent role in the Eddic age, and many of them are delineated as skilled warriors.

The Poetic Edda Index

Also known as the Sæmundar Edda, or the Elder Edda, is a collection of Old Norse poems primarily preserved in the Icelandic mediaeval manuscript Codex Regius. Along with Snorri Sturluson's Prose Edda, the Poetic Edda is the most important extant source on Norse mythology and Germanic heroic legends.

The Poetic Edda by Unknown - Goodreads

Poetic Edda is the modern attribution for an unnamed collection of Old Norse anonymous poems, which is different from the Edda written by Snorri Sturluson. Several versions exist, all primarily of text from the Icelandic medieval manuscript known as the Codex Regius. The Codex Regius is arguably the most important extant source on Norse mythology and Germanic heroic legends.

The Poetic Edda: Voluspo

Hávamál or Sayings of the High One is part of the Elder Edda also known as Poetic Edda. The high one is Odin, and thus all the sayings of this Eddaic poem are attributed to the Allfather. In the original Old Norse the verses are composed in the meter called Ljóðahátt, which in the Viking Age was associated with wisdom poetry.

The great poetic tradition of pre-Christian Scandinavia is known to us almost exclusively through the Poetic Edda. The poems originated in Iceland, Norway, and Greenland between the ninth and thirteenth centuries, when they were compiled in a unique manuscript known as the Codex Regius. The poems are primarily lyrical rather than narrative.
