The Juran Trilogy, also called Quality Trilogy, was presented by Dr. Joseph M. Juran in 1986 as a means to manage for quality. The traditional approach to quality at that time was based on quality control, but today, the Trilogy has become the basis for most quality management best practices around the world. In essence, the Juran Trilogy is a universal way of thinking about quality—it fits all functions, all levels, and all product and service lines.
