Many people new to report-writing think that it's not the done thing to ask what the report should look like, often for fear of appearing unsure or incapable. But the fact is that before writing reports or business plans of any sort the writer should always first seek clarification of exactly what's required.

Writing Technique - BusinessBalls.com

First, you should take some time to prepare and plan for your report. Before you start writing, identify the audience. Your report should be written and tailored to the readers' needs and expectations. When planning, ask yourself several questions to better understand the goal of the report. Some questions to consider include: Who are the readers?

Report Writing Format

The new reporting requirements will provide information needed to better monitor disease incidence and trends by initiating epidemiologic case investigations, assisting with contact tracing, assessing availability and use of testing resources, and anticipating potential supply chain issues.
