LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

Rexlace

Rexlace is an extruded, flat, PVC plastic cord made for craft and hobby applications. Also known as Boondoggle, this brand of plastic lacing has been key staple in summer camp crafting for generations. Make key fobs, lanyards, jewelry, and other accessories. When used as a knotting cord, 1 foot of Rexlace = about 1 inch of stitches/knots.
