Service Engine Light Came Nissan

Download Free Service Engine Light Came Nissan

The service engine soon light is often mistaken for the check engine light. The check engine light is a light to warn you to a possible issue with your exhaust system or emissions system. The service engine soon light can come on for minor issues like a loose gas cap, or for more major problems such as possible engine failure. Your Service Engine Soon Light

Download Free Service Engine Light Came Nissan

Should Not Cause You to Panic. The light does say service engine soon, but you may not necessarily have to make any major repairs soon.

What Does the Service Engine Soon Light Mean on a Nissan ...

Under normal operation, your Nissan check engine light should come on when

Download Free Service Engine Light Came Nissan

you insert the key in the ignition. After 5 seconds or once you start the engine, the light should turn off as long as no fault codes are present. If the check engine light stays on, the problem can be something as simple as a loose gas cap or a faulty oxygen sensor.
