Unpacking the China-Taiwan Relationship

The culture of Taiwan is a blend of Confucian Chinese and indigenous Taiwanese cultures. Despite the overwhelming traditional Chinese influence, Japanese and Korean have influenced Taiwanese culture as well. The common socio-political experience in Taiwan gradually developed into a sense of Taiwanese cultural identity and a feeling of Taiwanese cultural awareness, which has been widely debated ...

Culture of Taiwan - Wikipedia

Various polls have highlighted the sentiment of Taiwanese nationals towards the question of identity asking respondents whether they consider themselves Taiwanese, Chinese, or both. All of the polls leaned towards Taiwanese as the dominant identity (the proportion of people who chose a combination of Taiwanese and Chinese was however significant).

Taiwanese Independence: Identity and Diplomacy - Project ...

Chinese character and identity, the author argues, are primarily functions of communication, and as such, these practices are of enormous consequence to the necessary reconstruction of Chinese identity in the changing socioeconomic context of the 21st century.
