The Age Of Revolution 1789

The French Revolution was a period of radical social and political upheaval in France from 1789 to 1799 that profoundly affected French and modern history, marking the decline of powerful monarchies and churches and the rise of democracy and nationalism.

Age of Revolution - Wikipedia

The book is about a double revolution. First, there is a political revolution of profound importance: the French Revolution swept away the old order of aristocratic privilege, opening jobs in government and the military to talent. The traditional hierarchies disappeared, crushed finally by a violent purge of those in power.
