### **The Drivers And The Outcomes**

Understanding Drivers & Outcomes in Your Salon/Spa. At Strategies, every aspect of our business training and coaching is focused on what we call The Four Business Outcomes: productivity, profitability, staff retention and customer loyalty. Business success, and your success as a leader, is defined not only by the proficiency and mastery of each outcome, but by how equally you balance and synchronize The Four Business Outcomes.

We study both the drivers and outcomes of early (and late) internationalization, contributing to the literature on international business and research on emerging economies. Furthermore, by using an integrated multi-theoretical framework to study the phenomenon, we formulate and assess a set of different types of drivers explaining the timing of internationalization.
