The Politics of Women's Bodies: Sexuality, Appearance, and ...

In Politics of the Female Body, Ketu H. Katrak argues that it is not only possible, but common, especially for women who have been subjects of colonial empires. Through her careful analysis of postcolonial literary texts, Katrak uncovers the ways that the female body becomes a site of both oppression and resistance.

Today, Feminists continue to fight against the idea that women's minds and bodies are inferior to men's and for the right of women to control their own bodies. See our Action Alertspage for how you can take action today to protect women's bodies, health, and reproductive freedom.

A History of Women's Bodies

The work of Michel Foucault has been extremely influential amongst feminist scholars and for good reason; his meditations on discipline, power, sexuality and subjectivity are particularly pertinent to feminist analysis. Yet despite his preoccupation with power and its effects on the body, Foucault's own analysis was curiously gender-neutral.

"Foucault and the Disciplining of the Female Body" by ...

Body Politics in Development is based on twenty years of experience working (somewhat accidentally) in the field of development, very engaged in the work of women's movements around body politics, - the strategies and practices around sexual and reproductive rights and health, gender-based violence, maternal health, sexuality and technologies around the body.
