LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

### The Power Of Unreasonable People

The Power of Unreasonable People covers the landscape, describing examples from virtually every area of interest in development, from healthcare to education to poverty eradication. In fact, the book is most rewarding in its presentation of vignettes of individual social enterprises, including interviews with many of their principals.

### The Power of Unreasonable People - Wikipedia

The Power of Unreasonable People offers a typology that illuminates what the broad range of social entrepreneurs share and don't share. The authors distinguish three categories of social entrepreneurs: those primarily dependent on philanthropic or government support; those fundamentally supported by market revenues (but who differ from normal for-profit leaders in their self-imposed trade-off of profit maximization for social value); and those working in hybrid organizations that blend ...

### Review: The Power of Unreasonable People (SSIR)

Yet as John Elkington and Pamela Hartigan argue in The Power of Unreasonable People, our very future may hinge on their work. Through vivid stories, the authors identify the highly unconventional entrepreneurs who are solving some of the world's most pressing economic, social, and environmental problems.
