"The only preaching textbook that I can imagine improving on The Witness of Preaching is this third edition, which updates the content for the next generation of preachers. It features an updated version of the biblical exegesis process that takes cutting-edge methodologies into account, a chapter on digital technology in relation to preaching, and a new section that features Long's analysis of the form of sermons by several of today's most accomplished pulpit communicators.

In July 2003, a revised version of the 3rd edition D&D rules (termed v. 3.5) was released that incorporated numerous small rule changes, as well as expanding the Dungeon Master's Guide and Monster Manual. This revision was intentionally a small one focusing on addressing common complaints about certain aspects of gameplay, hence the "half edition" version number.

The Third Edition of Ross Anderson's Security Engineering. Ross Anderson's fantastic textbook, Security Engineering, will have a third edition. The book won't be published until December, but Ross has been making drafts of the chapters available online as he finishes them. Now that the book is completed, I expect the publisher to make him take the drafts off the Internet.
