review in the New York Times Book Review (see below). It was recognized by both the Chicago Public Library and the New York Public Library on their Best Books of 2019 lists.

This Time Will Be Different — Misa Sugiura

Covering sixty-six countries across five continents, This Time Is Different presents a comprehensive look at the varieties of financial crises, and guides us through eight astonishing centuries of government defaults, banking panics, and inflationary spikes--from medieval currency debasements to today's subprime catastrophe. Carmen Reinhart and Kenneth Rogoff, leading economists whose work has been influential in the policy debate concerning the current financial crisis, provocatively argue ...

This Time Is Different: Eight Centuries of Financial Folly ...

Each time, the experts have chimed, "this time is different"--claiming that the old rules of valuation no longer apply and that the new situation bears little similarity to past disasters. With this Throughout history, rich and poor countries alike have been lending, borrowing, crashing--and recovering--their way through an extraordinary range of financial crises.

Known as "this-time-is-different syndrome," this unrealistic optimism afflicted bankers, investors and policy makers before the 1930s Great Depression, the 1980s Third World debt crisis, the ...

This Time Is Different - The Economist

Saying this time will be different is not naive; rather, it is a rational conclusion based on noting the many differences between the past and the present. When it comes to North Korea, there are essentially four players divided into two camps: North Korea and China in one, South Korea and United States in the other.
