Timeriders The Infinity Cage Book

This final novel in the Timeriders series is a little disappointing in terms of maintaining an exhilarating narrative that the previous 8 books delivered. Having said that, the purpose of this final instalment was to drill a definitive message on the state of our world in ecology, religion and the nature of humanity.

The Infinity Cage (TimeRiders, #9) by Alex Scarrow

The Time Riders series (nine books) has ended with this last one, The Infinity Cage. Time Riders is easily the best time travel fiction I have ever read, and I am so sorry to see it end. The deaths of characters we came to know and love as the books continued were hard to read; the author showed us he was not averse to plot twists we never expected.

The Archway is the field office of the Time Riders. It is in New York, looping around the same two days (Monday the 10th of September 2001 and Tuesday the 11th of September 2001) forever. The days are chosen because they are the day before the Twin Towers are destroyed, and the day it does, meaning that no one will remember them due to being preoccupied with the 9/11 attacks. Enjoyed reading every one of these books. Infinity cage is the most gripping book of the series in which we have read every book from. I felt as though I have travelled through history reading this book. I would give 4.5 stars as everything has room for improvement but I can't so I gave 4. Great book and series. Will miss Time riders a lot.
