I have been taking TOA-free Cat's Claw for the last two weeks along with the antibiotics. I understand you recommend the whole herb. My LLMD recommends the TOA-free so I'm confused on what to take.

Antibiotics / TOA free cat's claw | Buhner Healing Lyme Q & A

If you begin looking into cat's claw for the treatment of Lyme infections, you will soon come across the product "TOA-free Cat's Claw." There is some amount of hysteria about this product. It is asserted that cat's claw products containing TOAs are not effective. This is incorrect.

Clinical Pearl - Solved: The False TOA/POA Controversy ...

Also known as TOA-free Cat's Claw, Pentacyclic Alkaloid Chemotype, is a rare variety of a medicinal plant of Cat's Claw. Unlike traditional Cat's Claw, this variety of Uncaria tomentosa does not contain a group of chemical antagonists called tetracyclic oxindole alkaloids or TOAs that act upon the central nervous system and can greatly inhibit the positive effect of the pentacyclic oxindole alkaloids (POAs).

Lyme Disease: Nutraceutical Breakthrough Using TOA-Free ...

I think you are supposed to take something with Cat's Claw to help lessen the herx effects. It should be TOA-free based on everything I have read about it. Rain-Tree makes good herbal products and Buhner recommends their Cat's Claw products. There are some other Lyme docs out there that recommend Cat's Claw (Samento) as a Lyme killer.

TOA-Free Cat's Claw - Lyme Disease - MedHelp

If you search for cat's claw, sooner or later you will come across information suggesting that "TOA-free" cat's claw is superior to standard cat's claw. It is promoted by the Nutramedix company to support their product, Samento. There is no independent research supporting this claim.

Cat's Claw - Herbs Database | RawlsMD

One of the TOA-free cat's claw products sold today is sold as a box of 30 capsules selling for \$14.50. Another label I found offered it in a 90-capsule box for \$40.95. Each capsule was 20 mg (!) of "cat's claw root extract standardized to contain a minimum of 1.3% pentacyclic oxindole alkaloids [POAs] and to be free of tetracyclic oxindole alkaloids [TOAs]."

Do you suffer from Lyme disease?? Suffer no more with Venus Fly Trap and TOA free Cat's Claw. Studied and proven to kill Lyme!

Lyme Disease & Natural Remedies (TOA free Cat's Claw)

In Buhner's book ("Healing Lyme"), he says he doesn't believe the evidence supporting use of TOA-free Cat's Claw is all that great, and he also thinks there is better evidence supporting the use of non-TOA-free Cat's Claw. He tells patients to use regular Cat's Claw, not the TOA version, and says he has seen it work fine.

Samento versus Cat's Claw - HealingWell.com

Cat's claw is a climbing vine, native to the Amazon rainforest. It has been used for over two thousand years by many rainforest tribes to support the immune system. The Asháninka people, who have the longest recorded history of use of the herb, make a clear distinction between certain Uncaria tomentosa vines.
