Wave Me Goodbye by Jacqueline Wilson - Goodreads

The stories are about saying goodbye to husbands, lovers, brothers and sons - and sometimes years later trying to remake their lives anew. By turn comical, stoical, compassionate, angry and subversive these intensely individual voices bring a human dimension to the momentous events that reverberated around them and each opens a window on to a hidden landscape of war.

The stories are about saying goodbye to husbands, lovers, brothers and I have to say that I didn't like as much as the first book. I just had a hard time with the book because at times Grace seemed so weak and always letting others due for her. Part of me want to yell at Grace to be stronger at times.

Only four of the 28 stories were baffling or disappointing to me, so for the most part this is a good collection for readers interested in women writers and/or World War II. Reading Millions like Us : British Women's Fiction of the Second World War by Jenny Hartley enhanced my appreciation of the stories in "Wave Me Goodbye."
